Hi Lorena,

I hope all is well and I just attend an internal Port meeting regarding the upcoming LA Fleet Week around Labor Day Weekend. Things are shaping up and we still are awaiting word on the number of ships, what kind and when they will arrive, etc. We do expect the ships to come in on Wednesday, August 31st and we are expecting a whole lot of folks while they are here. We are planning to have the PBID do a downtown welcoming event either on Thursday or Friday night as discussed. I'm thinking that Friday would be better since it will already be 1st Thursday – so we can get 2 downtown events out of Fleet Week. Please confirm that this is what you are planning.

Thanks,

Augie
